

AWC Monitoring and Home Visit-field collection Form

Field Name	Questions	Option Value	Skip/Remark
Today	Today		
mon_name	Monitor Name		
type_mon	Select Monitor Type (Organization name)	unicef_consultant: UNICEF ngo_piramal: Piramal Swasthya govt_health: Government - Health govt_icds: Government - ICDS coe_aiims: CoE - AIIMS Patna other: Other	
oth_mon	Other Monitor Organization		type_mon=oth
dom	Date of Monitoring		
jv	Joint Visit	yes: Yes no: No	
jv_name	Name of Accompanying Person		jv=yes
jv_designh	Designation (Dept.) of Accompanying Person		jv=yes
district	District	gaya: Gaya purnea: Purnea araria: Araria	

Field Name	Questions	Option Value	Skip/Remark
block	Block Name	araria_sadar: Araria Sadar bhargama_: Bhargama farbishganj_: Farbishganj jokihaat_: Jokihaat kursakata_: Kursakata narpatganj_: Narpatganj palasi_: Palasi raniganj_: Raniganj sikati_: Sikati amour: Amour baisa: Baisa baisi: Baisi banmankhi: Banmankhi barhara: Barhara bhawanipur: Bhawanipur dagrua: Dagrua dhamdaha: Dhamdaha jalalgarh: Jalalgarh kasba: Kasba krityanandnagar: Krityanandnagar puania_sadar_gramin: Purnia (Sadar + Gramin) rupauli: Rupauli srinagar: Srinagar amas: Amas atri: Atri bankebazar: Bankebazar barachatti: Barachatti belaganj: Belaganj bodh_gaya: Bodh-Gaya dhobhi: Dhobhi dumaria: Dumaria fathepur: Fathepur gaya_sadar_gramin: Gaya Sadar +Gramin guraru: Guraru gurua: Gurua imamganj: Imamganj khizarsarai: Khizarsarai konch: Konch maanpur: Maanpur mohanpur: Mohanpur mohara: Mohara nimchak_bathanahi: Nimchak Bathanahi pariya: Pariya sherghatti: Sherghatti tankuppa: Tankuppa tekari: Tekari wazirganj: Wazirganj	
village	Village Name		
awc_name	AWC Name		
code_awc	Code of AWC (11 digits)		

Field Name	Questions	Option Value	Skip/Remark
aww_name	Name of AWW		
reg_05	Number of 0-6 children registered in AWW Poshan Tracker		
mes_05	Number of 0-6 children measured by AWW last month		reg_05>=1
wasted	**Number of children with wasting enrolled in AWC**		
no_sam	SAM		
no_mam	MAM		
note_Yj8GJSA2n	**Note: Ask AWW/AWH to mobilize up to two recorded SAM case(s) to AWC for Anthropometry assessment & Poshan tracker data validation. In case no enrolled SAM case available at the time of visit mobilize up to two MAM case(s)**		
2	**Section 2 - Logistics** [Observation]		
note2741	Logistics availability at AWC		
func_child_wm	Child weighing machine	fun: Functional non_f: Non-Functional na: Not Available	
Func_adult_wm	Mother-child weighing machine (Adult)	fun: Functional non_f: Non-Functional na: Not Available	
note2746	Logistics availability at AWC Contd...		
func_infanto	Infantometer	fun: Functional fun_a: Functional with adjustment non_f: Non-Functional na: Not Available	
func_stadio	Stadiometer	fun: Functional fun_a: Functional with adjustment non_f: Non-Functional na: Not Available	

Field Name	Questions	Option Value	Skip/Remark
note2751	Logistics availability at AWC Contd...		
sam_handout	SAM Management Handout	yes: Yes no: No	
CMAM_manual	SAM Management Protocol (CMAM) displayed	yes: Yes no: No	
thr_dis_month	In which Month last THR distributed		
note2757	Logistics availability at AWC Contd...		
hcm_prepared	Hot cooked Meal distributed/ being cooked on the day of visit	yes: Yes no: No hcm_not_started: HCM not started	
smart_m_pt	Does AWW have smart Mobile phone with Poshan Tracker installed	yes: Yes no: No	
sam_due_list	Does AWW has any list/Due-list of SAM cases?	yes: Yes no: No	
note2763	Logistics availability at AWC Contd...		
coun_mat	Does AWW has any counselling material (Job Aid)?	kat_cham: Katori Chamach coun_card: Counselling cards pos_kit: Poshan kit mcp_car: MCP card na: Not available oth: Other	
coun_mat_oth	Specify other counselling material (Job Aid) AWW have?		coun_mat=oth
3	**Section 3- AWW Knowledge		
note2769	Wasting screening & management** [Interview]		
aww_aware_mal	What is the most severe form of malnutrition called as?	sam: SAM mam: MAM suw: SUW (Atikuposhit/ gambhir alpvazan) uw: UW (Alpvazan) dnk: dont know	

Field Name	Questions	Option Value	Skip/Remark
aww_trg_sam	Have you received any training on management of children with SAM?	yes: Yes no: No	
note2774	AWW Knowledge contd...		
aww_screen_sam	What is essential to assess SAM/MAM in children at the AWC?	wt_hl: Weight and length/ height l_h_age: length/ height and age w_age: weight and age dnk: Dont know	
note2778	AWW Knowledge contd...		
aww_aware_sam_identify	After measuring weight & height what tool do you (AWW) use to know the SAM/MAM category?	pt: poshan tracker wlh_ref_chart: weight - length/height reference charts mcp_card_gc: MCP card- Growth chart not_aw: Not aware	
aww_aware_bl_pitting	Can you demonstrate how to check for bilateral pitting oedema?	aware: Aware not_aware: Not aware	
note2783	AWW Knowledge contd...		
sam_mgmt_steps	According to you, what are the steps for management of child with SAM?	st_1: Step 1 - Screening for identification of SAM (ICDS) st_2: Step 2 - Appetite test by AWW (ICDS) st_3: Step 3 - Medical management of SAM at VHSND / Health facility (HEALTH) st_4: Step 4 - Nutritional Management by AWW through home visits and THR distribution st_5: Step 5 - Follow up at monthly VHSND and fortnightly Home visit (Health & ICDS) dnk: dont know	
note2787	AWW Knowledge contd...		

Field Name	Questions	Option Value	Skip/Remark
sam_first_ref	Where will you mobilize the child if identified as SAM for the first time?	vhsnd: VHSND session for community management nrc: NRC chc_phc_rbsk: Nearest health facility (PHC/ CHC)/ RBSK awc: Manage at AWC level only dnk: dont know	
sam_mt	What medical treatment shall a SAM case will receive if he/she has no illness and with good appetite?	aware: Aware not_aware: Not aware	
note2792	AWW Knowledge contd...		
sam_med	Can you name the essential medicines/ nutritional supplements given to SAM case treated at the community level	anti: Antibiotic (Amoxicillin syrup) foli: Folic acid tablet albe: Albendazole vlta: Vitamin A iron: Iron Folic Acid syrup multivit: Multivitamin syrup dnk: Not aware	
mt_poor_app	What medical treatment shall a SAM case will receive if he/she has illness or with poor appetite?	aware: Aware not_aware: Not aware	
note2797	AWW Knowledge contd...		
improve_nutri	What are the steps taken by you for improving the nutritional status (i.e. SAM to Normal) of the SAM case?	week: Weekly/ fortnightly home visit coun: Counselling & demonstration for home based energy & nutrient enhancement of diet awc_sess: AWC based session prov_thr: Provide Take Home Ration (THR) dnk: dont know	
note2801	AWW Knowledge contd...		

Field Name	Questions	Option Value	Skip/Remark
nuri_msg	Can you tell the key messages you give to the family of SAM case for enhancing the energy and nutrient of daily diet?	add_ghee: Adding Ghee/ Oil to meal three_m_2_sn: At least 3 meals & 2 snacks daily add_ground_soya_sattu: Adding Roasted groundnut/Soyabean/Sattu powder in meal milk: Milk egg: Eggs sea_fruit: One seasonal fruit green_yellow_veg: One green leafy or Yellow vegetable in diet thr_snack: THR based recipe/snacks bi_ifa: Biweekly IFA syrup dnk: Not aware	
note2805	AWW Knowledge contd...		
sam_progress_fup	How is SAM child's progress followed up during the programme period?	week: Weekly/ fortnightly home visit mont: Monthly VHSND/HWC visit awc_session: AWC based session dnk: dont know	
child_not_resp	What you will do if the child does not gain weight or loses weight in two consecutive follow-ups visits	vhsnd_session: VHSND session for community management nrc: NRC chc_phc_rbsk: Nearest health facility (PHC/ CHC)/ RBSK dnk: dont know	
note2810	AWW Knowledge contd...		

Field Name	Questions	Option Value	Skip/Remark
fup_activites	What activities are being done during a follow-up session (VHSND or Home visit) of child with SAM?	weighing: Weighing moni_wt: Monitor weight improvement check_ill_sign: Checking for signs of illness check_med_comp: Checking compliance for medicines check_rd: Checking compliance for recommended diet couns_hyg_diet: Counselling - diet and hygiene rec_maintain: Maintaining records dnk: dont know	
note2814	AWW Knowledge contd...		
fup_duration	Till what time a SAM child will be followed up and continued in programme?	aware: Aware not_aware: Not aware	
what_done_aft_3mon	What should be done if a child continues to remain in SAM category even after 4 months follow up period in CMAM program?	refer_nrc: Refer to NRC/Health Facility continue_int_fup: Continue in the program with intensive follow-up dnk: dont know	
4	**Section 4 AWW Anthropometry Skills** [Observation] Assess AWWs anthropometric skills. Ask AWW to use anthropometric devices to measure weight & height/Length of two mobilized children. Observe for quality parameter.		
note2820	AWW Anthropometry Skills (Child less than 2 year age)		

Field Name	Questions	Option Value	Skip/Remark
aww_skill_infanto	Infantometer	child_below_2r: Child below two years firm_place: Infantometer placed on Firm, Flat surface head_corr: Head is touching the head piece(looking vertically upward) child_body_p: Childs body position - legs, back & head are in a straight line child_foot_corr: both foot are touching flat on foot piece supp_add_person: Support of any additional person taken while measurement sam_less2_na: Child less than 2 year not available	
note2824	AWW Anthropometry Skills (Child less than 1 year age)		
aww_skill_salter	Weighing -Salter weighing scale	scale_hanged_corr: Weighing scale hanged properly cal_zero: Pointer calibrated to zero min_cloth: Weighing done in minimal clothing pointer-static: Weight recorded when pointer is static sam_less2_na: Child less than 1 year not available	
note2828	AWW Anthropometry Skills (Child greater than 2 year age)		

Field Name	Questions	Option Value	Skip/Remark
aww_skill_stadio	Stadiometer	child_gr_2yr: Child above two years firm_place: Stadiometer placed on Firm, Flat surface child_feet_p: Childs feet position - both feet touching each other child_body_p: Childs body position - heels, buttocks, back & head touching stadiometer in straight line stadio_touch_head: Stadiometer head piece touching child's head corr_eye_pos: AWWs eye level is at the level of head piece while recording height supp_add_person: Support of any additional person taken while measurement sam_gr2_na: Child greater than 2 year not available	
note2832	AWW Anthropometry Skills (Child greater than 2 year age)		
aww_skill_dws	Weighing -Digital weighing scale	flat_sur: Kept on flat and even surface tared_zero: Weighing scale tared to zero min_cloth: Weighing done in minimal clothing child_centre_ws: Child standing straight at centre of weighing scale sam_gr2_na: Child greater than 2 year not available	
note2836	AWW Anthropometry Skills (Weight for length/height chart)		
aww_cal_wasting_cat	AWW able to use 'Weight for length/height z-score chart', to classify the nutritional status (wasting) correctly?	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
5	**Section 5 Poshan Tracker data validation** Please note: In this section, monitor will validate accuracy of poshan tracker anthropometry with actual anthropometry done by him . Monitor to measure weight & height/Length of any two mobilized poshan tracker enrolled children preferably SAM/MAM, whose weight & height/Length updated last month in Poshan Tracker		
note2841	Child-1 Validation (Poshan tracker Data)		
child1_rw	Child-1 Recorded weight **Poshan tracker** (Kgs)		
child1_rhl	Child-1 Recorded Height/Length **Poshan Tracker** (cm)		
child1_rcat	Child-1 Wasting category **poshan tracker**	sam: SAM mam: MAM normal: Normal	
note2847	Child-1 Validation (Current measurement by monitor)		
child1_cw	Child-1 Current weight **as per Monitor** (Kgs)		
child1_chl	Child-1 Current Height/Length **as per Monitor** (cm)		
child1_ccat	Child-1 Wasting category **as per Monitor**	sam: SAM mam: MAM normal: Normal	
note2853	SAM Child-2 Validation (Poshan tracker Data)		

Field Name	Questions	Option Value	Skip/Remark
child2_rw	Child-2 Recorded weight **Poshan tracker** (Kgs)		
child2_rhl	Child-2 Recorded Height/Length **Poshan Tracker** (cm)		
child2_rcat	Child-2 Wasting category **poshan tracker**	sam: SAM mam: MAM normal: Normal	
note2859	Child-2 Validation (Current measurement by monitor)		
child2_cw	Child-2 Current weight **as per Monitor** (Kgs)		
child2_chl	Child-2 Current Height/Length **as per Monitor** (cm)		
child2_ccat	Child-2 Wasting category **as per Monitor**	sam: SAM mam: MAM normal: Normal	
c1_wt_diff	Child 1 weight Diffrence		
c2_wt_diff	Child 2 weight Diffrence		
c1_hl_diff	Child 1 height Diffrence		
c2_hl_diff	Child 2 height Diffrence		
note2869	Anthropometry Difference Child-1		
_recorded_minus_current	**Anthropometry Difference Child-1** (recorded minus current)		
_wei_gs_c1_wt_diff_span	Child-1 Poshan tracker weight: $\{child1_rw\}$ Child-1 Current weight (monitor): $\{child1_cw\}$ Weight Difference(Kgs): $\{c1_wt_diff\}$		

Field Name	Questions	Option Value	Skip/Remark
_cm_c1_hl_diff_span	Child:1 Poshan tracker Height: $\{\text{child1_rhl}\}$ Child-1 Current Height (monitor): $\{\text{child1_chl}\}$ Height Difference(cm): $\{c1_hl_diff\}$		
_c_child1_ccat	Wasting category poshan tracker: $\{\text{child1_rcat}\}$ Wasting category as per Monitor: $\{\text{child1_ccat}\}$		
note2876	Anthropometry Difference Child-2		
_recorded_minus_current_001	$\{\text{Anthropometry Difference child-2}\}$ (recorded minus current)		
_c_gs_c2_wt_diff_span	Child:2 Poshan tracker weight: $\{\text{child2_rw}\}$ Child-2 Current weight (monitor): $\{\text{child2_cw}\}$ Weight Difference(Kgs): $\{c2_wt_diff\}$		
_cm_c2_hl_diff_span	Child:2 Poshan tracker Height: $\{\text{child2_rhl}\}$ Child-2 Current Height (monitor): $\{\text{child2_chl}\}$ Height Difference(cm): $\{c2_hl_diff\}$		
_child2_ccat	Wasting category poshan tracker: $\{\text{child2_rcat}\}$ Wasting category as per Monitor: $\{\text{child2_ccat}\}$		

Field Name	Questions	Option Value	Skip/Remark
_6_6_59_	**Section 6 Household Visit (SAM case 6-59 months)** Visit SAM case house to interview the caregiver, it is expected that monitor should visit atleast two* SAM case house *as per availability of SAM case in monitored area		
child_aval_val	Number of SAM child available for home visit currently		
note2887	HH Visit- First SAM Child		
sam1_name	Childs Name		
sam1_mother	Mothers name		
sam1_sex	Child Sex	male: Male female: Female	
sam1_age	Age (completed months)		
note2894	HH Visit- First SAM Child contd...		
sam1_wt_measured_lm	Was your child weight measured in last one month?	yes: Yes no: No	
sam1_last_measured_date	When was your childs weight last measured?		sam1_wt_measured_lm=no
sam1_hl_measured_lm	Was your child height/length measured in last one month?	yes: Yes no: No	
sam1_aww_informed_sam	Has AWW informed you about the childs current nutrition status?	yes: Yes no: No	
note2901	HH Visit- First SAM Child contd...		
sam1_child_medical_mgmt	Has your child received any medical treatment in last one month at any health facility?	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
sam1_child_treat_con	For what condition your child received the treatment?	mm: Malnutrition management other_ped: Any other paediatric illness - Diarrhoea, Fever, Cough etc.	sam1_child_medical_mgmt=yes
sam1_child_mm_facility	Where your child received medical treatment for "malnutrition"?	vhnd: VHNSD ss: Sub-centre hwc: Health Wellness Centre chc_phc: CHC/PHC nrc: NRC	sam1_child_treat_con=mm
sam1_recd_med_vhsnd	During treatment from "VHSND/Sub-centre", has child received some medicines?	yes: Yes no: No	sam1_child_mm_facility=vhsnd
note2908	HH Visit- First SAM Child contd...		
sam1_aww_visit	Has AWW visited your home in last fifteen days to provide information on child's diet?	yes: Yes no: No	
sam1_aww_msg	Can you recall a few messages that AWW gave during the visit?	add_ghee_oil: Adding Ghee/Oil to meal atleast_3m_2s: At least 3 meals & 2 snacks daily add_gmut_soya_sattu: Adding Roasted groundnut/Soyabean/Sattu powder in meal milk: Milk egg: Eggs sea_fruit: One seasonal fruit veg_gy: One green leafy or Yellow vegetable in diet thr_rec_snack: THR based recipe/snacks biweekly_ifa: Biweekly IFA syrup gen_hygiene: General Hygiene cant_rem: Cant remember	sam1_aww_visit=yes
note2913	HH Visit- First SAM Child contd...		
sam1_thr_recd	Have you received THR in last one month for your child?	yes: Yes no: No	
note2917	HH Visit- First SAM Child contd...		

Field Name	Questions	Option Value	Skip/Remark
sam1_coun_involve	Who all were involved by AWW during the dietary counselling?	mother: Mother father: Father grandparents: Grandparents others: others	
sam1_gm_mcp	Growth Monitoring of child updated in MCP card	mcp_not_aval: MCP card not available mcp_aval_gm_not_updated: MCP card available & Growth Monitoring not updated mcp_aval_gm_updated: MCP card available & Growth Monitoring updated	
sam1_gm_pt	Has AWW updated child's weight and height/length in poshan tracker?	yes: Yes no: No	
24	*Note - Next question undertake 24-hours dietary recall and note down the food items and timings on a paper and analyse the information to provide below details*		child_aval_val>=1
note2924	HH Visit- First SAM Child contd...		
sam1_meal_freq	How many meals child consumed in last 24 hours (except snacks)	one: One two: Two three: Three or more zero: No meal received	
sam1_dh	What mother/ caregiver fed child in last 24 hours	bm: Breastmilk cer: Cereals/Tuber led: Legume & Nuts ry_fruit_veg: Vitamin-A rich fruits and vegetables (Red/ Yellow/Orange) oth_veg: Other fruits & Vegetables milk_pro: Milk & Milk products (Dahi, Lassi, Chach, Paneer) egg: Egg meat: Meat/ Poultry/ Fish junk: Junk items - Chips, Biscuits, chocolate etc	
bm1	Breastmilk		
cer1	Cereals/Tuber		
led1	Legume & Nuts		

Field Name	Questions	Option Value	Skip/Remark
ry_fruit_veg1	Vitamin-A rich fruits and vegetables (Red/ Yellow/Orange)		
oth_veg1	Other fruits & Vegetables		
dairy1	Milk & Milk products (Dahi, Lassi, Chach, Paneer)		
egg1	Egg		
meat1	Meat/ Poultry/ Fish		
tot_dd_sam1	Total Dietry Diversity Score		
inform_dd_sam1	**Tell caregiver dietry diversity score of child is $\frac{\text{\textcolor{red}{tot_dd_sam1}}}{8}$ **		child_aval_val>=1
note2939	HH Visit- First SAM Child contd...		
sam1_en_enh_food	Any food items used for enhancing energy and nutrient density of meals	add_oil_ghee: Additional oil/ghee sat: Sattu pea_pow: Peanut Powder soy_pow: Soyabean Powder any_snack_meal: Any snack/meal made of THR oth: Other nothing: No item used	
sam1_en_enh_food_oth	Specify other food items used for enhancing energy and nutrient density of meals		sam1_en_enh_food=oth
sam1_con_ifa	Has your child consumed IFA syrup in last one week?	consumed: Consumed not_con: Not consumed(bottle available) bottle_not_aval: Bottle not available	
sam1_con_multivit	Has your child consumed multivitamin in last day?	yes: Yes no: No not_aval: Not available	
note2946	HH Visit- Second SAM Child		
sam2_name	Childs Name		
sam2_mother	Mothers name		
sam2_sex	Child Sex	male: Male female: Female	

Field Name	Questions	Option Value	Skip/Remark
sam2_age	Age (completed months)		
note2953	HH Visit- Second SAM Child Contd...		
sam2_wt_measured_lm	Was your child weight measured in last one month?	yes: Yes no: No	
sam2_last_measured_date	When was your childs weight last measured?		sam2_wt_measured_lm=no
sam2_hl_measured_lm	Was your child height/length measured in last one month?	yes: Yes no: No	
sam2_aww_informed_sam	Has AWW informed you about the childs current nutrition status?	yes: Yes no: No	
note2960	HH Visit- Second SAM Child Contd...		
sam2_child_medical_mgmt	Has your child received any medical treatment in last one month at any health facility?	yes: Yes no: No	
sam2_child_treat_con	For what condition your child received the treatment?	mm: Malnutrition management other_ped: Any other paediatric illness - Diarrhoea, Fever, Cough etc.	sam2_child_medical_mgmt=yes
sam2_child_mm_facility	Where your child received medical treatment for "malnutrition"?	vhnd: VHNSD ss: Sub-centre hwc: Health Wellness Centre chc_phc: CHC/PHC nrc: NRC	sam2_child_treat_con=mm
sam2_recd_med_vhsnd	During treatment from "VHSND/Sub-centre", has child received some medicines?	yes: Yes no: No	sam2_child_mm_facility=vhsnd
note2967	HH Visit- Second SAM Child Contd...		
sam2_aww_visit	Has AWW visited your home in last fifteen days to provide information on childs diet?	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
sam2_aww_msg	Can you recall a few messages that AWW gave during the visit?	add_ghee_oil: Adding Ghee/Oil to meal atleast_3m_2s: At least 3 meals & 2 snacks daily add_gmut_soya_sattu: Adding Roasted groundnut/Soyabean/Sattu powder in meal milk: Milk egg: Eggs sea_fruit: One seasonal fruit veg_gy: One green leafy or Yellow vegetable in diet thr_rec_snack: THR based recipe/snacks biweekly_ifa: Biweekly IFA syrup gen_hygiene: General Hygiene cant_rem: Cant remember	sam2_aww_visit=yes
note2972	HH Visit- Second SAM Child Contd...		
sam2_thr_recd	Have you received THR in last one month for your child?	yes: Yes no: No	
note2976	HH Visit- Second SAM Child Contd...		
sam2_coun_involve	Who all were involved by AWW during the dietary counselling?	mother: Mother father: Father grandparents: Grandparents others: others	
sam2_gm_mcp	Growth Monitoring of child updated in MCP card	mcp_not_aval: MCP card not available mcp_aval_gm_not_updated: MCP card available & Growth Monitoring not updated mcp_aval_gm_updated: MCP card available & Growth Monitoring updated	
sam2_gm_pt	Has AWW updated childs weight and height/length in poshan tracker?	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
_24__001	*Note - Next question undertake 24-hours dietary recall and note down the food items and timings on a paper and analyse the information to provide below details*		child_aval_val>=2
note2983	HH Visit- Second SAM Child Contd...		
sam2_meal_freq	How many meals child consumed in last 24 hours (except snacks)	one: One two: Two three: Three or more zero: No meal received	
sam2_dh	What mother/ caregiver fed child in last 24 hours	bm: Breastmilk cer: Cereals/Tuber led: Legume & Nuts ry_fruit_veg: Vitamin-A rich fruits and vegetables (Red/ Yellow/Orange) oth_veg: Other fruits & Vegetables milk_pro: Milk & Milk products (Dahi, Lassi, Chach, Paneer) egg: Egg meat: Meat/ Poultry/ Fish junk: Junk items - Chips, Biscuits, chocolate etc

sam2_con_ifa	Has your child consumed IFA syrup in last one week?	consumed: Consumed not_con: Not consumed(bottle available) bottle_not_aval: Bottle not available	
sam2_con_multivit	Has your child consumed multivitamin in last day?	yes: Yes no: No not_aval: Not available	
_7_05_	**Section 7 Household Visit (0-5 month child)**		
note3006	Household Visit (0-5 month child)		
infant_sex	Infant Sex	male: Male female: Female	
infant_del	Infant Delivery Type	normal: Normal c_sec: C-Section	
infant_bw	Infant Birth Weight (in Kgs)		
infant_bo	Birth Order	1: 1 2: 2 3: 3 gr_3: Greater than three	
note3013	Household Visit (0-5 month child) contd...		

Field Name	Questions	Option Value	Skip/Remark
infant_eibf	When did you first breastfed your child ?	within_1: Within 1 hour of Delivery within1_3: 1-3 hour of Delivery after_3: After 3 hour of Delivery next_day: next day of Delivery cant_rem: Cant remember	
infant_ebf	What did you give your baby in the last 24 hours?	only_bm: Only Breastmilk bm_fm: Breastmilk & Formula Milk bm_am: Breastmilk & Animal Milk bm_water: Breastmilk & water fm: Formula Milk am: Animal Milk nothing: Nothing	
note3018	Household Visit (0-5 month child) contd...		
feed_mode	If child is on mixed or no breastfeeding, how are you feeding the child?	bottle: Bottle tumbler: Tumbler katori_c: Katori-Chamach	infant_ebf=bm_fm infant_ebf=bm_am infant_ebf=bm_water infant_ebf=fm infant_ebf=am infant_ebf=nothing
support_bf	Has anyone counselled or supported you for promoting only breastfeeding?	aww: AWW anm: ANM asha: ASHA no_supp: No support received	infant_ebf=bm_fm infant_ebf=bm_am infant_ebf=bm_water infant_ebf=fm infant_ebf=am infant_ebf=nothing
note3023	Household Visit (0-5 month child) contd...		
infant_gm_records_pt	Infants growth monitoring records available on Poshan Tracker	yes: Yes no: No	
infant_gm_records_mcp	Infants growth monitoring details updated on MCP card	yes: Yes no: No	
infant_caregiver_aware_ns	Caregivers aware about the nutrition status of the infant	yes: Yes no: No	
note3029	Household Visit (0-5 month child) contd...		

Field Name	Questions	Option Value	Skip/Remark
infant_aww_visit	How many times AWW visited infant in last one month		
infant_asha_visit	How many times ASHA visited infant in last one month		
_8_6_8_	**Section 8 Household Visit (6-8 month child)** [Interview]		
note3035	Household Visit (6-8 month child)		
child_sex	Child Sex	male: Male female: Female	
aww_hw_coun_diet_feed	Has AWW visited your home in last one month to counsel the caregiver for diet and feeding?	yes: Yes no: No	
aww_hw_coun_health_clean	Has AWW visited your home in last one month to counsel the caregiver health, cleanliness and nutrition?	yes: Yes no: No	
note3041	Household Visit (6-8 month child)		
attended_ann	Have you attended any annaprasan ceremony at the AWC in last three months?	yes: Yes no: No	
child_wm_last_m	Was your child weight measured in last one month?	yes: Yes no: No	
child_hl_m	Was your child height/length measured in last one month?	yes: Yes no: No	
note3047	Household Visit (6-8 month child)
