today	Today		
mon_nam	Monitor Name		
type_mon	Select Monitor Type	unicef: UNICEF aiims: AIIMS Patna pmch: SCoE PMCH src: SRC NMCH piramal_swasthya: Piramal Swasthya oth: Other	
oth_mon	Other Monitor Designation & organization		type_mon=oth
dom	Date of Monitoring		
district	District	gaya: Gaya Purnea: Purnea	
block	Block Name	amour: Amour amas: Amas	
other_block	Other Block Name		block=other
village	Village Name		
hsc_name	Health Sub centre Name		
asha_name	ASHA Name		
Guidance_Note_1_O_assessment_checklist	Guidance Note-1. Observe both 3rd month and 6th month infant with the same ASHA 2. HBYC & HBNC visit should not be with the same ASHA 3. Observation of AWW on HBYC is part of this assessment checklist		
note2462	Visit Information		

Field Name	Questions	Option Value	Skip/Remark
child_dob	Date of Birth of child		
ch_sex	Sex	male: Male female: Female	
c_hbnc_vd	Select HBYC visit order	third_m: Third month sixth_m: Sixth month	
aww_acc	Is AWW accompanying ASHA for this home visit?	yes: Yes no: No	
note2469	Observation on care component of HBYC		
asha_checked_wt	Did ASHA check appropriateness of weight according to the age	yes: Yes no: No wt_not_rec_mcp: Weight not recorded in MCP card mcp_not_aval: MCP card not Available	
asha_checked	Did ASHA check the following in the newborn	nb_wh: Child had any illness/was sick nb_tem: Development delays nb_res: Immunization status dnk: Nothing checked	
note2474	Observation on care component of HBNC contd...		
asha_assess_bf	Assessment of Breastfeeding by ASHA	en_bf_con: Enquiry on whether breastfeeding is continued en_bf_freq: Enquiry on frequency of breastfeeding en_bf_exc: Enquiry on Exclusive breastfeeding? en_bf_chall: Enquiry on any challenges related to breastfeeding en_bf_pos_att: Observation of positioning and attachment ? dnk: None of the above	
asha_ors	Did ASHA provided ORS to the family	yes: Yes no: No not_aval: Not available	
asha_carry_mcp	Is ASHA carrying blank MCP card with her	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
note2480	Observation on Counselling by ASHA		
asha_checked_001	Did ASHA counsel the mother and family on any of the below areas	imp_bf: Importance of exclusive breastfeeding imp_bf_freq: Importance of breastfeeding 7-8 times a day (including night time) corr_pos_att: Correct positioning and attachment imp_weight: Importance of weight and regular growth monitoring int_cf: Introduction of complementary feeding at completion of 6 months (for 6 months old babies) infant_ifa: IFA syrup to infants (for 6months old babies) hw: Hand washing dd: Developmental milestones dnk: Didnt counsel	
ass_of_bf	Did ASHA counsel the mother on regular uptake of	ifa: IFA cal: Calcium imp_healthy_diet: Importance of healthy diets during lactation period dnk: Didnt counsel	
note2485	ASHA Knowledge		
mon_reg	Why is the regular monitoring of infants weight is important?	inf_feed_well: Tells us if infant is feeding well take_action: Helps us to take timely action & referral overall_health: Helps us in understanding overall health status of child id_risk: Helps us in early identification of risks in infant dnk: Dont Know	
risk_egf	Which infants are at risk of early growth faltering	lbw: LBW pre_term: Pre term babies sudden_wl: Sudden Weight loss between two consecutive visits inf_illness: Infant with any illness dnk: Dont Know	

Field Name	Questions	Option Value	Skip/Remark
note2490	ASHA Knowledge contd...		
how_know_gw	How do you know the child is not growing well	wt_not_inc: Weight is not increasing ht_not_inc: Height is not increasing both_not_inc: Height & Weight both not increasing child_not_feed: Child is not taking feeds properly child_sick_freq: Child falls sick very frequently dnk: Dont Know	
action_growth	What action do you take if baby is not growing well ?	ref_chc_phc: Refer to PHC/CHC for further examination & management ref_anm: Refer to ANM ref_nrc: Refer to NRC ass_bf_issues: Assess the breastfeeding issues, counsel and correct it dnk: Dont Know	
note2495	ASHA Knowledge contd...		
pos_corr	Did she know Correct positioning for Breastfeeding?	mot_rel_comfort: Mother relaxed and comfortable mother_sit_st_supported: Mother sit straight and back supported baby_close_mother: Babys body close to mothers body and facing breast baby_neck_body_straighth: babys neck and body straight baby_body_supp: Babys whole body supported dnk: Dont Know	
att_corr	Did she know Correct attachment during Breastfeeding?	baby_chin_touch_breast: babys chin touching the breast baby_mouth_open: Mouth wide and open baby_lower_lip_out: Lower lip turned outward more_arola: More areola is seen above the babys mouth dnk: Dont Know	

Field Name	Questions	Option Value	Skip/Remark
freq_corr	Did she know Correct frequency of Breastfeeding for infant?	yes: Yes no: No	
note2501	Validation & Verification (Ask/Physically verify)		
app_used	Is ASHA being trained on expression of breastmilk	yes: Yes no: No	
inf_rec_reg	How ASHA is recording the HBYC visit details	vhir: VHIR/ASHA Diary sep_reg: Separate register hbyc_hv_format: HBYC home visit format dnk: Not filling	
note2506	Validation & Verification (Ask/Physically verify)		
wt_plotted_mcp	Is babys weight plotted in MCP card with the family? (Check in MCP card & verify)	yes: Yes no: No mcp_not_aval: MCP not available	
asha_fac_acc	When did ASHA facilitator last visited your area	within_1m: Within 01 month within_3m: Within last 03 months more_3m: More than 03 months	
note2511	AWW Observation		
aww_name	Name of AWW		
ch_rec_pt	Is childs name recorded in Poshan Tracker	yes: Yes no: No	
p_tracker_updated	Is the following updated till last month in the Poshan Tracker	wt_child: Weight of the child h_child: Height of the child dnk: Not updated	
aww_dd	Has AWW checked the child for developmental delay	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
note2518	AWW Observation contd...		
aww_coun_mot	Did she counsel mother on any of the below	ebf: Exclusive breastfeeding use_thr: Usage of THR ini_cf: Initiation of complementary feeding (for 6months old babies) reg_grow_mon: Regular growth monitoring dnk: Didnt counsel	
aww_know_bf	Did she know following about Breastfeeding?	corr_pos: Correct positioning and attachment adq_bf: Adequacy of breastfeeding for infant freq_bf: Frequency of breastfeeding for infant dnk: Dont Know
