

VHSND Monitoring and Assessment Tools Form

Field Name	Questions	Option Value	Skip/Remark
today	Today		
mon_name	Monitor Name		
type_mon	Select Monitor Type	unicef_consultant: UNICEF ngo_piramal: Piramal Swasthya govt_health: Government - Health govt_icds: Government - ICDS coe_aiims: CoE - AIIMS Patna other: Other	
other_mon	Other Monitor Organization		type_mon=other
date_of_monitoring	Date of Monitoring		
location_vhsnd_site	Please record the location of VHSND site.		
jv	Joint Visit	yes: Yes no: No	
jv_name	Name of Accompanying Person		jv=yes
jv_designh	Designation (Dept.) of Accompanying Person		jv=yes
district	District	gaya: Gaya purnea: Purnea araria: Araria	
block	Block Name	araria_sadar: Araria Sadar other: Other	
other_block	Other Block Name		block=other
village	Village Name		
awc_name	Name of AWC Centre		
code_awc	Code of AWC (11 digits)		

Field Name	Questions	Option Value	Skip/Remark
asha_p	ASHA Present at Session Site	yes: Yes no: No	
aww_p	AWW Present at Session Site	yes: Yes no: No	
2	**Section 2 - Logistics** [Observation]		
note2146	Logistics (Pregnant Women)		
Func_adult_wm	Mother-child weighing machine (Adult)	func: Functional non_f: Non-Functional na: Not Available	
hemo_meter	Hemoglobinometer	dig_hf: Digital Hemoglobinometer-Functional dig_hnf: Digital Hemoglobinometer-Non Functional tal: Tallquist Hemoglobin color Scale na: Not Available	
lancet	Number of lancets		hemo_meter=dig_hf hemo_meter=dig_hnf
strips	Number of strips		hemo_meter=dig_hf hemo_meter=dig_hnf
	MCP Card (Blank)		
note2153	Logistics (Pregnant Women) Contd...		
b_mcp	MCP Card (Blank)		
no_ifa	Number IFA Red strips		
no_fa	Folic Acid Tablet strips		
no_cal	Calcium Tablet strips		
note2160	Logistics (SAM Child)		
func_child_wm	Child weighing machine	func: Functional non_f: Non-Functional na: Not Available	

Field Name	Questions	Option Value	Skip/Remark
func_infanto	Infantometer	fun: Functional fun_a: Functional with adjustment non_f: Non-Functional na: Not Available	
note2165	Logistics (SAM Child) Contd...		
func_stadio	Stadiometer	fun: Functional fun_a: Functional with adjustment non_f: Non-Functional na: Not Available	
coun_mat	Any Nutrition counselling material (Job Aid)?	kat_cham: Katori Chamach coun_card: Counselling cards pos_kit: Poshan kit mcp_car: MCP card na: Not available oth: Other	
coun_mat_oth	Specify other counselling material (Job Aid) AWW have?		selected coun_mat=oth
note2171	Logistics (SAM Child) Contd...		
func_thermo	Functional Thermometer	yes: Yes no: No	
cmam_app_aval_anm	CMAM application available in ANM mobile	yes: Yes no: No	
cmam_app_aval_aww	CMAM application available in AWW mobile	yes: Yes no: No	
cmam_child_reg	Any SAM case registered on CMAM App	yes: Yes no: No	ch1=yes
wfh_chart	Weight for height/length chart	yes: Yes no: No	
sam_handout	SAM Management Handout	yes: Yes no: No	
vita	Vitamin-A	yes: Yes no: No	
zinc	Zinc	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
ors	ORS Packets	yes: Yes no: No	
note2183	Logistics (SAM Child) Contd...		
no_amox_tab	Amoxicillin Tablet strips (125 mg/250 mg)		
no_amox_syp	Amoxicillin Syrup bottles (125 mg/250 mg)		
no_ifa_bot	IFA Syrup bottles		
no_alb_tab	Albendazole Tablets		
no_multivit_syp	Multi-vitamin Syp/ Drops bottles		
3	**Section 3a- Service Delivery & Recording [Pregnant Women] ** Observe atleast one Pregnant Women for Service Delivery preferably in 2nd/3rd trimester		
note2192	Section 3a- Service Delivery & Recording [Pregnant Women]		
weighing	Weighing	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	
height	Height	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	no_ifa=1
hemoglobin	Haemoglobin	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	no_ifa=1
bp	Blood Pressure	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	preg_tri=sec preg_tri=third

Field Name	Questions	Option Value	Skip/Remark
note2199	Section 3a- Service Delivery & Recording [Pregnant Women] Contd...		
abd_ckp	Abdominal check-up	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	
ifa_dis	IFA distribution	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	
cal_dis	Calcium distribution	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	reg_tri=first
albz_dis	Albendazole distribution	done: Done corr_rec: Done and Correct recording (MCP card) not_done: Not Done	
note2206	Section 3a- Service Delivery & Recording [Pregnant Women] Contd...		
anc_duelist	ANC due list available	yes: Yes no: No	
preg_tri	Pregnancy trimester	first: First sec: Second third: Third	
fa_tab	Folic Acid Tablet distribution (if PW in first trimester)	yes: Yes no: No	
lmp_date	LMP Date mentioned in MCP card	yes: Yes no: No	
note2213	Section 3a- Service Delivery [Pregnant Women] Contd...		
ifa_ins	Any instruction for consumption of IFA provided	yes: Yes no: No	selected ifa_dis=done selected ifa_dis=corr_re c

Field Name	Questions	Option Value	Skip/Remark
no_ifa_dis	Number of IFA tabs distributed		selected ifa_dis=done selected ifa_dis=corr_re c
calc_ins	Any instruction for consumption of calcium provided	yes: Yes no: No	selected ifa_dis=done selected ifa_dis=corr_re c
no_cal_dis	Number of Calcium tabs distributed		selected ifa_dis=done selected ifa_dis=corr_re c
_3__001	**Section 3b- Service Delivery [SAM Child] ** Observe atleast one SAM child who receive service at VHSND, - if SAM child has visited before monitoring check ANM records - if SAM child either not visited or not available select "No SAM child present"		
note2221	Section 3b- Service Delivery [SAM Child]		
sam_duelist	SAM child duelist available at session site	yes: Yes no: No	
sam_alr_visited	How many SAM cases have already received health services today		
sam_alr_visited_cmam	Record available for SAM case(s) received service today on CMAM app	yes: Yes no: No	sam_alr_visited =1
sam_aval	Any SAM child available at session site at time of visit	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
note2228	Section 3b- Service Delivery [SAM Child]		
type_sam	Type of visit of SAM case(s)	f_ckp: First checkup fup_visit: Follow-up visit both: Both First checkup & Follow-up visit cases	
serv_sam	Services provided to SAM case	wh: Weighing hl: Height / Length treatment: Treatment-provided medicines/micronutrients as per protocols nc: Nutritional counselling nrc_ref: NRC Referral no_ser: No service provided	
note2233	Section 3b- Service Delivery [SAM Child]		
med_sam	what medicines are provided in first checkup	anti: Amoxyicillin syrup/tablet foli: Folic acid tablet albe: Albendazole vita: Vitamin A iron: Iron Folic Acid syrup multi: Multivitamin syrup no_med: Not provided	type_sam=f_ckp type_sam=both
ekav_sam_upd	Record of SAM case updated in CMAM app	yes: Yes no: No	
_4_0_5_	**Section- 4 (0-5 month old infant)** [Observation] Note: Identify one infant age less than 6 months coming for immunization, observe for nutrition service delivery and interview caregiver		
any_05_aval	Any 0-5 month infant available at session site at time of visit	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
note2242	Section- 4a Service Delivery for 0-5 month old child		
inf_weight	Has AWW/ANM measured Weight of the infant	yes: Yes no: No	
inf_length	Has AWW/ANM measured Length of the infant	yes: Yes no: No	
inf_pt_rec	Has AWW updated records weight/length in poshan tracker	yes: Yes no: No	
inf_gc	Growth Monitoring chart in MCP card updated	yes: Yes no: No	ch1=yes
note2249	Section- 4a Service Delivery for 0-5 month old child		
inf_curr_ns	Is AWW/ ANM informing caregiver about the current nutrition status using mcp card	yes: Yes no: No	
inf_enq	Is ANM enquiring about current/ recent episode of illness	yes: Yes no: No	
inf_ebf_coun	Is ANM/AWW/ASHA providing counselling on exclusive breastfeeding	yes: Yes no: No	
_0_5_	**Post observing service delivery for 0-5 month infant, interview caregiver just before exit**		ch1=yes
note2256	Section 4b Exit Interview (0-5 month old child)		
inf_sex	Infant Sex	male: Male female: Female	
inf_del	Infant Delivery Type	normal: Normal c_sec: C-Section	

Field Name	Questions	Option Value	Skip/Remark
inf_bw	Infant Birth Weight (in Kgs)		
inf_bo	Birth Order		
note2263	Section 4b Exit Interview (0-5 month old child)		
inf_eibf	When did you first breastfed your child ?	within_1: Within 1 hour of Delivery within1_3: 1-3 hour of Delivery gr_3: After 3 hours same day next_day: next day of Delivery cant_rem: Cant remember	
inf_ebf	What did you give your baby in the last 24 hours?	only_bm: Only Breastmilk bm_fm: Breastmilk & Formula Milk bm_am: Breastmilk & Animal_milk bm_water: Breastmilk & water fm: Formula Milk am: Animal_milk nothing: Nothing	
note2268	Section 4b Exit Interview (0-5 month old child)		
aww_vis	How many times AWW visited infant in last one month		
asha_vis	How many times ASHA visited infant in last one month		
_5_9_24_x_24_	**Section- 5 (9-24 months child Interview)** Interview caregiver of child aged between 9-24 months came for immunization service		
consent	I give my consent to the collection of my personal data to answer the question on the survey form.	yes: Yes no: No	

Field Name	Questions	Option Value	Skip/Remark
any_924_aval	Any 9-24 month child available at session site at time of visit	yes: Yes no: No	
type_imm	Type of immunization Visit of 9-24 months child	mon_9: 9 month(Measles Rubella) mon_16: 16-24 month(DPT booster)	ch1=yes
note2279	Section 5 Exit Interview (9-24 month old child)		
ch_924_ifa	Has child received IFA syrup bottle	yes: Yes no: No	
ch_924_ifa_con	Has your child consumed IFA in last one week?	yes: Yes no: No	ch1=yes
ch_924_wt	Was child weighed during the session	yes: Yes no: No	
ch_924_wt_mcp	Weight updated in MCP card	yes: Yes no: No	ch1=yes
_6_b_	**Section- 6 ANM Interview (Knowledge)** This section has two parts 6a- ANM Knowledge on SAM Management 6b- ANM Knowledge for Pregnant Women		
note2287	6a- ANM Knowledge on SAM Management		
sam_trg	Have you received any training on management of children with SAM?	yes: Yes no: No	
sam_iden	What is essential to assess SAM/MAM in children ?	wflh: Weight and length/ height lha: length/ height and age wa: weight and age dnk: Dont know	

Field Name	Questions	Option Value	Skip/Remark
sam_blp	Can you demonstrate how to check for bilateral pitting oedema? (observe the steps mentioned)	aware: Aware not_aware: Not aware	
note2293	6a- ANM Knowledge on SAM Management Contd...		
sam_no_illness	What medical treatment shall a SAM case will receive if he/she has no illness and with good appetite?	aware: Aware not_aware: Not aware	
sam_treatment_med	Can you name the essential medicines/ nutritional supplements given to SAM case teated at the community level	anti: Amoxycillin syrup/tablet foli: Folic acid tablet albe: Albendazole vita: Vitamin A iron: Iron Folic Acid syrup multi: Multivitamin syrup dnk: Not aware	
note2298	6a- ANM Knowledge on SAM Management Contd...		
7	**Can you tell me number of Amoxycillin bottle/tablets you will give for a SAM child with 7 Kg weight for home based treatment**		
case_1	Case 1 - Amoxycillin bottle - 125 mg per 5 ml and bottle is 30 ml (no. of bottle(s))		
case_2	Case 2 - Amoxycillin tablets - 125 mg per tablet (no. of tablets)		

Field Name	Questions	Option Value	Skip/Remark
note2304	6a- ANM Knowledge on SAM Management Contd...		
sam_illness	What medical treatment shall a SAM case will receive if he/she has illness or with poor appetite?	aware: Aware not_aware: Not aware	
sam_prog	How is a SAM child's progress followed up during the programme period?	week: Weekly/ fortnightly home visit mont: Monthly VHSND/HWC visit awc_session: AWC based session dnk: dont know	
note2309	6a- ANM Knowledge on SAM Management Contd...		
sam_not_gain	If the child does not gain weight or loses weight in two consecutive follow-ups visits	vhsnd_session: VHSND session for community management nrc: NRC chc_phc_rbsk: Nearest health facility (PHC/ CHC)/ RBSK dnk: dont know	
sam_fup	What activities are being done during a follow-up session (VHSND or Home visit) of child with SAM?	weighing: Weighing moni_wt: Monitor weight improvement check_ill_sign: Checking for signs of illness check_med_comp: Checking compliance for medicines check_rd: Checking compliance for recommended diet couns_hyg_diet: Counselling - diet and hygiene rec_maintain: Maintaining records dnk: dont know	
note2314	6a- ANM Knowledge on SAM Management Contd...		

Field Name	Questions	Option Value	Skip/Remark
sam_fup_dura	Till what time a SAM child will be followed up and continued in programme?	aware: Aware not_aware: Not aware	
sam_not_res	What should be done if a child continues to remain in SAM category even after 3 months follow up period in CMAM program?	refer_nrc: Refer to NRC/Health Facility continue_int_fup: Continue in the program with intensive follow-up dnk: dont know	
note2319	6b- ANM Knowledge for Pregnant Women		
anm_eanc	Do you know what is "Early ANC registration"	reg_8: Registration of PW within 8 weeks of Pregnancy reg_12: Registration of PW within 12 weeks of Pregnancy reg_20: Registration of PW within 20 weeks of Pregnancy dnk: Dont Know	
anm_gest	Do you know what should be gestational weight gain during the entire pregnancy period	wtg_68: 6-8 kg in entire pregnancy period wtg_911: 9-11 kg in entire pregnancy period wtg_1314: 13-14 kg in entire pregnancy period dnk: Dont Know	
note2324	6b- ANM Knowledge for Pregnant Women Contd...		
anm_heam	Below what heamoglobin level will a pregnant woman be anaemic?	gm_9: 9 gram/dl gm_7: 7 gram/dl gm_11: 11 gram/dl dnk: Dont Know	
anm_ifa	How many IFA tablets will an anaemic pregnant woman has to consume daily?	one: 1 two: 2 dnk: Dont Know	
_7__001	**Section- 7 ASHA Interview (Knowledge)**		

Field Name	Questions	Option Value	Skip/Remark
note2330	Section- 7 ASHA Interview (Knowledge)		
lbw_confirm	According to you when will be a newborn considered as Low Birth Weight(LBW)	less_1800: < 1800 Gms less_2000: < 2000 Gms less_2500: < 2500 Gms dnk: Dont Know	
lbw_services	What services do you provide during HBNC visit	bf_support: Breastfeeding support kmc: KMC temp: Temperature add_visit: Additional visit weighing: Weighing referral: Referral if required not_aware: Not aware	
note2335	Section- 7 ASHA Interview (Knowledge) Contd...		
asha_hbyc_trained	ASHA trained on HBYC	yes: Yes no: No	
ser_inf	What services do you provide to an infant aged six months during HBYC visit	bf_supp: Breastfeeding support hw: Handwashing ps: Parenting support adm: Assess developmental milestones sign_illness: Looking for signs of illness (Pneumonia & Diaorrhea) gc_mcp: Show growth chart on MCP card dnk: Not aware	ch1=yes
note2340	Section- 7 ASHA Interview (Knowledge) Contd...		
do_hbyc	Do you undertake HBYC visit along with AWW?	yes: Yes no: No	
ben_ifa	To whom is IFA syrup provided?	all_child: All children aged 6-59 months only_sam: Only SAM child dnk: Not aware	

Field Name	Questions	Option Value	Skip/Remark
dose_ifa	What are the doses of IFA syrup in children	aware: Aware not_aware: Not aware	
note2346	Section- 7 ASHA Interview (Knowledge) Contd...		
demo_ifa	Can you demonstrate how to use IFA bottle	yes: Yes no: No	
maa-meet	Has ASHA organised any mothers meeting (MAA) in the previous month	yes: Yes no: No
